ROAD RUNNING/TRAINING & GYM

### Black & Orange

- Superior cushioning and support for the heavier runner or someone needing a more cushioned ride over longer distances.
- Subtle curve and balance of the springy mid sole and cushioning distribution that supports natural stride and ground-strike, creates a smoother transition from heel to toe that feels energetic and responsive.
- Responsive cushioning adds foot and joint protection for injury prevention and comfort on long runs.
- Light, streamlined and breathable mesh upper and silk-feel, textured inners for comfort, airflow and even pressure-distribution.
- TPR outer-sole for grip and anti-wear on tar and pavement.
- Weighs: 260g / Drop: 10mm.

**R499.00**

**Sizes available: EU 35 to 38 / UK & SA 3 to 5.**

### Charcoal / Yellow & Orange

**R799.00**

- The Swift is the perfect blend of soft and light, offering both speed and protective cushioning for runners wanting to increase their training load and distance. With their streamlined and ultra-light design, the Swifts responsive mid-soles give them all the springiness you want from a road shoe on tempo days, but with more cushioning for comfort over long distances.
- The Swift's added sole cushioning is distributed consciously to help support a natural stride and healthy ground-strike, and while you'll notice the smooth ride and added comfort, you won't find them spongy or soft. Their superior cushioning offers support for the heavier runner or someone needing a more cushioned ride over the longer distances and their springy and balanced mid-soles with subtle curve, creates a smoother transition from heel to toe.
- Incorporates streamlined and breathable mesh upper, cushioning distribution that supports natural stride and ground-strike, silk-feel textured inners for comfort, airflow and even pressure-distribution, TPR outer-sole for grip and anti-wear on tar and pavement and responsive cushioning adds foot and joint protection for injury prevention and comfort on long runs.
- Weight: 260g/Drop: 10mm.

**Sizes available EU 39 to 46 / UK & SA 6 to 11.**
